Health Leaders: Behind the Decision to Block the Anthem-Cigna Merger

February 16, 2017

Partner Randy Schultz spoke with Health Leaders media after a federal judge blocked the merger of Anthem and Cigna. "This issue was about more than just the merger," he said. "The two prime elements of healthcare are how you finance it and how you deliver it, and in this case, the big insurance companies have their fingers in both pies." Read the story here.
