The Lathrop GPM Chicago office - located in the beautiful downtown Loop - includes experienced professionals committed to achieving exceptional results for their clients, ranging from international Fortune 500 corporations to entrepreneurs and small start-ups. In addition to general litigation capabilities, specific areas of focus include intellectual property, environmental, banking and corporate law. Our attorneys are uniquely positioned to advise clients on legal strategy and bring experience that stretches beyond the courtroom with varied backgrounds in engineering, software design, teaching, mechanics and beyond.
