The Counter Quotes Ryan Palmer on Post-Pandemic Liquor Regulations

April 23, 2020

Ryan Palmer was quoted in The Counter article, "As States Loosen Alcohol Laws to Help Struggling Restaurants, Some Want the Changes to Be Permanent." The article discusses the possibility of states extending temporary measures involving to-go alcohol sales even after the coronavirus pandemic is over. In it, Ryan states, "I don't foresee anything on a national basis…that really would be a sea change for how we regulate liquor."
