Agri-Pulse Quotes Allyson Cunningham on PFAS Contamination

February 12, 2021

Partner Allyson Cunningham discussed the impact of PFAS on agriculture producers and the likelihood of increased regulations in the Feb. 12, 2021 *Agri-Pulse* article "'Forever Chemicals' Get Agriculture's Attention." (Subscription required.)

"'We haven't seen litigation on the ag side yet,' Cunningham said, but adds, "I think it's probably coming."
