

Not If, When: How to Prepare Your Company for a Cyberbreach

February 11, 2016

Firm Event

Gray Plant Mooty - Minneapolis

80 South 8th Street

500 IDS Center

Minneapolis, MN 55402

Some of the world's most prominent brands have experienced financial and reputational damage due to highly publicized incidents of hacking and data breaches.

How well would your company weather a cyberbreach?

Join Gray Plant Mooty, Aon, and XL Catlin on February 11 to hear from cybersecurity experts offering perspectives from the legal, financial and risk management view point.

Our unique panel of experts will share insights regarding managing the multiple risks and potential damages throughout the cyberthreat cycle, including:

- Cyber-exposure overview
- What can companies do to protect against a breach?
- Evolution and current marketplace dynamics
- Litigation landscape
