

McKnight's Long-Term Care News Quotes Mara Cohara on COVID-19 Litigation

September 4, 2020

Environmental and Tort Litigation Practice Group Leader Mara Cohara was the featured source for *McKnight's Long-Term Care News* article "Legal expert warns providers at increased risk for COVID lawsuits." The Sept. 4, 2020 article focused on the threat of increased litigation tied to COVID-19 and what long-term care facilities can do to mitigate such risks. Mara stressed the importance of planning, documentation, training and monitoring. She also noted that insurance coverage and new federal mandates could help providers avoid potential liability.
