

Cointelegraph Quotes Dale Werts on Investing in Crypto

March 19, 2022

Partner Dale Werts spoke to *Cointelegraph* for the article for "Old but Gold: Can Digital Assets Become Part of Americans' Retirement Plans?" on including cryptocurrency in retirement plans. In the article Dale details three options, including a self-directed 401(k), investing in companies that own crypto, and investing your 401(k) plan in trusts.
