NOTICE: While we would like to hear from you, Lathrop GPM LLP cannot represent you until we know that doing so will not create a conflict of interest and the proposed representation has cleared our intake process and been approved by the firm. Accordingly, please do not send us any information that you consider confidential until you receive a written statement from us that we represent you (an "engagement letter"). Our review of any information you send us, even if it is confidential and submitted in a good-faith effort to retain us, will not preclude us from representing another client directly adverse to you in a matter in which the information is relevant and can be used against you.

Please click the "I agree" button below and complete the form. We will then review the form and decide whether the firm is willing and able to handle the matter. When you receive an engagement letter from a Lathrop GPM LLP attorney, you will be our client. Unless and until that happens, there will be no attorney/client relationship between our firm or any of its lawyers and you.

All communication sent to us through this form is subject to the Terms of Use of this website.
