[We are working through this order and will update with additional information shortly] Executive Order 2020-21; March 23, 2020

“Critical Sectors” are defined to include the 16 critical infrastructure sectors as defined by the Department of Homeland Security (*see above*) and the additional categories listed below:

Critical Sectors. All workers who can work from home must do so. Workers in the following Critical Sectors, who are performing work that cannot be done at their home or residence through telework or virtual work and can be done only at a place of work outside of their home or residence, are exempted from the prohibition in paragraph 1 as set forth below. These critical services exemptions apply only to travel to and from an individual’s home or residence and place of work and an individual’s performance of work duties that cannot be done at their homes or residence. Travel may include transportation to and from child care or school settings as necessary to ensure the safe care of children. This list of Critical Sectors may be clarified, as deemed necessary by the Governor, to ensure the health, safety, and security of all Minnesotans. Clarifications will be available for public review at: <http://mn.gov/deed/critical/>

Minnesota

Emergency Executive Order 20-20; March 25, 2020

1. Healthcare and public health. This category is limited to:

a. Healthcare and public health workers listed in the Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response (the

"CISA Guidance").

b. Providers of, and workers supporting, reproductive health care, childbirth services, mental health care, and substance use treatment.

c. Workers supporting manufacturers, technicians, logistics and warehouse operators, and distributors of personal care, hygiene, and healthcare products.

d. Workers providing home care and human services workers from government or non-profit providers who are delivering food, prescriptions, case management services, mental health and substance abuse therapy, or who are otherwise caring for a client.

e. Workers providing or supporting home-based care for adults, seniors, and children, including but not limited to people who are blind, deaf, deafblind, or hard of hearing and people with disabilities, including physical disabilities, developmental disabilities, intellectual disabilities, substance use disorders, or mental illness. This includes workers who must travel to a person's home to provide care or other in-home services including meal delivery and one-on-one interpreting services for people who are blind, deaf, deafblind, or hard of hearing. This includes personal care attendants, paid employees of government and non-profit providers, or volunteers representing government and non-profit providers.

– As applicable, such healthcare and public health workers are subject to the restrictions on elective surgeries and procedures as set forth in Executive Orders 20-09 and 20-17.

2. Law enforcement, public safety, and first responders. This category is limited to law enforcement and public safety workers and first responders listed in the CISA Guidance, including all corrections personnel, state and county probation officers, and supervision agents, in addition to victims' advocates, animal control officers, humane officers, and all workers who support electronic security and life-safety services.

3. Food and agriculture. This category is limited to food and agriculture workers listed in the CISA Guidance, including agricultural equipment repair services. For clarity, and for the purposes of this Executive Order, references to "beverages" include alcoholic beverages. The restrictions on restaurants, bars, and other places of public accommodation adopted in Executive Orders 20-04 and 20-18 remain in effect.

4. This category is limited to energy workers listed in the CISA Guidance.

5. Water and wastewater. This category is limited to water and wastewater workers listed in the CISA Guidance, including State Parks workers who maintain water and wastewater infrastructure, in addition to

workers who perform work related to residential wells and septic tanks, and workers who supply bottled water or home filtration systems in areas where that is a health necessity.

6. Transportation and logistics. This category is limited to the transportation and logistics workers listed in the CISA Guidance, in addition to:

- a. State, county, and local government agencies and agency workers, as well as private sector workers, who support or enable transportation functions, including engineers, dispatchers, maintenance and repair technicians (including workers at maintenance and repair shops), warehouse workers, truck stop and rest area workers, and workers that maintain and inspect infrastructure (including those that require cross-border travel).
- b. Workers engaged in roadway construction, maintenance, and utility projects.
- c. Public transit workers.
- d. Bicycle shops and distribution facilities.
- e. Automobile sales that are necessary to allow for essential travel, when conducted by appointment, and only when CDC and MDH guidelines, including social distancing, can be met.

7. Public Works. This category is limited to public works workers listed in the CISA Guidance, in addition to construction material suppliers and workers providing services necessary to maintain construction material sources.

8. Communications and information technology. This category is limited to communications and information technology workers listed in the CISA Guidance, in addition to all workers who support news services of all kinds, including newspapers, radio, television, and other forms of news media.

9. Other community-based government operations and essential functions. This category is limited to the other community-based and government essential functions listed in the CISA Guidance, in addition to workers who support the following functions and services:

- a. Election support services and election administration workers
- b. Housing, shelter, and homelessness-prevention staff of state and local agencies and organizations responsible for ensuring safe and stable housing, including workers from state and local agencies and organizations with responsibility for ensuring safe and stable housing; shelter outreach or drop-in center programs; financing affordable housing; and administering rent subsidies, homeless interventions, operating supports, and similar supports. This includes workers necessary to provide repairs, maintenance, and

operations support to residential dwellings.

c. Workers performing all other governmental functions which are necessary to ensure the health, safety, and welfare of the public, to preserve the essential elements of the financial system of government, and to continue priority services as determined by a political subdivision of the State. All political subdivisions of the State will determine the minimum personnel necessary to maintain these governmental operations.

d. Workers supporting building code enforcement necessary to maintain public safety and health of essential infrastructure and any construction as required in response to the COVID-19 peacetime emergency including but not limited to construction of health care facilities and essential businesses and services, or construction as required for emergency repairs and safety purposes.

10. Critical manufacturing. This category is limited to critical manufacturing workers listed in the CISA Guidance. This category includes iron ore mining and processing operations and supplier/vendor industries essential to such mining and processing operations.

11. Hazardous materials. This category is limited to hazardous materials workers listed in the CISA Guidance.

12. Financial services. This category includes workers at banks, credit unions, insurance companies, insurance agencies, and other financial services workers identified in the CISA Guidance.

14. Defense industrial base. This category is limited to defense industrial base workers listed in the CISA Guidance.

15. Tribal Governments. Tribal officers and workers deemed essential by the relevant Tribal government, regardless of residence.

16. The Judicial Branch. This category is limited to judicial officers and personnel deemed essential by the Chief Justice to ensure the continued operations of Minnesota's court system.

17. The Executive Branch. This category is limited to personnel deemed necessary to continue priority services of executive branch agencies, offices, departments, divisions, boards, bureaus, councils, committees, institutions, authorities, and commissions, as well as, the Minnesota State Colleges and Universities system, Minnesota State Retirement System, Public Employees Retirement Association, and Teacher's Retirement Association, as determined by the Commissioner of Management and Budget in consultation with those agencies and entities.

18. Executive Constitutional Offices. This category is limited to Constitutional Officers and personnel deemed

essential by the applicable Constitutional Officer to ensure the continued operations of the Constitutional Office.

19. The Legislative Branch. This category is limited to personnel deemed essential by the presiding officers of each body.

20. Federal Employees. Nothing in this Executive Order will be construed to limit, prohibit, or restrict in any way the operations of the federal government, or the movement of federal officials in Minnesota while acting in their official capacity, including federal judicial, legislative, and executive staff and personnel.

21. National Guard. This category is limited to National Guard members that are on orders, to include state active duty, Title 32, or Title 10 orders and members in an Inactive Duty for Training status. At the discretion of the Adjutant General, this category also includes full-time staff of the Minnesota National Guard or Department of Military Affairs that are necessary for the execution of the National Guard's mission.

22. Faith leaders and workers. This category includes officials, workers, and leaders in houses of worship and other places of religious expression or fellowship, wherever their services may be needed. This category also includes workers necessary to plan, record, and distribute online or broadcast content to community members.

23. Educators and other workers supporting public and private schools, as well as higher education (e.g., colleges and universities). This category includes educators and other workers providing care to children as provided by Executive Order 20-19. Executive Order 20-02 remains in effect.

24. Construction and critical trades. This category includes workers in the skilled trades such as electricians, plumbers, HVAC and elevator technicians, and other related construction of all kind. This category also includes exterminators, cleaning and janitorial staff for commercial and governmental properties, moving and relocation services, security staff, operating engineers, and all other service providers who provide services that are necessary to maintain the safety, sanitation, and essential operation of homes and residences and the Critical Sectors listed in this Executive Order.

25. Child care providers. This category includes workers in child care centers, family child care, schools, and other facilities. Such providers are encouraged to remain open to provide child care services for workers in the Critical Sectors listed in this Executive Order as possible and insofar as public health guidance can be followed. This category also applies to individuals

providing child care for Critical Sector workers in a personal home, such as family, friend, and neighbor care required for Critical Sector workers to continue to perform their duties.

26. Hotels, residential facilities and shelters. This category includes workers supporting hotels and motels, facilities and shelters for adults, seniors, and children, including victims of domestic violence, people with developmental disabilities, intellectual disabilities, substance abuse disorders, or mental illness. Such facilities and shelters include halfway houses and residential treatment programs. This category also includes workers needed to keep apartment complex buildings and other congregate residences or homes operational and sanitary.

27. Shelters for displaced individuals. This category is limited to workers supporting emergency shelters, drop-in centers, and encampments, as well as outreach workers. Governmental and other entities are strongly urged to make 24-hour shelter available as soon as possible, to the maximum extent practicable, and in compliance with CDC guidance.

28. Charitable and social services organizations. This category is limited to workers supporting organizations that are engaged in hunger relief work, and those that provide food, shelter, prescription delivery, mental health and substance abuse treatments, and other social services, as well as other necessities of life for individuals in need of such services, older adults who live alone, people with disabilities, and those who need assistance as a result of this emergency.

29. Legal services. This category is limited to workers who are necessary to provide essential legal services. Essential legal services include:

- a. Advice and representation needed to aid the delivery of all critical government services.
- b. Advice and representation required to ensure the immediate and critical health, safety, and liberties of Minnesotans, including but not limited to, end-of-life planning, immigration, essential services to elders and persons with disabilities, child supports, child-protection and domestic abuse matters, protection of personal financial resources necessary to meet basic needs, prosecution or defense in ongoing criminal matters, or all matters in which individuals are held in custody pending a legal proceeding, and proceedings held in the district or appellate courts during the effective period of this order.
- c. Advice and representation related to the continuation of the Critical Sectors identified in this Executive Order, including ensuring compliance with this Executive Order, previous Executive Orders, and all applicable laws, rules,

and regulations applying to Critical Sectors.

d. Supporting housing and shelter-related efforts, including loan applications, loan processing, seeking temporary relief from residential and commercial loan or lease provisions, retention of gas, electric, or water utility services, and seeking temporary relief from residential evictions or foreclosures, or other actions intended to keep people in their homes.

30. Notary services. This category is limited to notaries performing services that cannot be deferred and which cannot be accomplished via remote services under Minnesota Statutes 2019, section 358.645.

31. Critical Labor Union Functions. This category includes labor union essential activities, including the administration of health and welfare funds, and monitoring the wellbeing and safety of members providing services in the Critical Sectors.

32. Laundry services. This category is limited to workers who support laundromats, dry cleaners, industrial laundry services, and laundry service providers for other Critical Sectors.

33. Animal shelters and veterinarians. This category is limited to veterinarians and workers at animal care facilities or Department of Natural Resources workers who provide food, shelter, veterinary services, and other necessities of life for animals. Workers in this category are subject to the restrictions on elective surgeries and procedures as set forth in Executive Orders 20-09 and 20-17.

34. Real Estate Transactions. This category is limited to workers who facilitate and finance real estate transactions and real estate services, including appraisers and title services.

35. Essential Supply Stores. This category is limited to workers at businesses that sell products, tools, materials, or supplies necessary for: (1) the above Critical Sectors to continue their essential operations, (2) for workers to work from home, or (3) for the maintenance of the safety, sanitation, and essential operation of homes or residences.

Oregon

Executive Order 20-12; March 23, 2020

Indoor and outdoor malls and other listed businesses are not prohibited from operating to provide food, grocery, health care, medical, pharmacy, or pet store services.

The Oregon Health Authority, subject to the approval by the Governor, has the authority to determine if additional business closures are necessary.

Other Retail Businesses

Prohibits the operation of any other retail business, unless the business designates an employee or officer to establish, implement, and enforce social distancing policies, consistent with guidance from the Oregon Health Authority.

Does not apply to grocery, health care, medical, or pharmacy services, which also are encouraged to comply with social distancing guidelines.

Workplace Restrictions

All businesses and non-profit entities with offices in Oregon shall facilitate telework and work-at-home by employees, to the maximum extent possible. Work in offices is prohibited whenever telework and work-at-home options are available, in light of position duties, availability of teleworking equipment, and network adequacy.

When telework and work-from-home options are not available, businesses and non-profits must designate an employee or officer to establish, implement, and enforce social distancing policies, consistent with guidance from the Oregon Health Authority. Such policies also must address how the business or non-profit will maintain social distancing protocols for business-critical visitors.

Childcare Facilities

Childcare facilities must close unless they meet the following requirements:

1. Childcare must be carried out in maximum stable groups of 10 or fewer children ("stable" means the same 10 or fewer children are in the same group each day), and in a classroom that cannot be accessed by children outside the stable group; and
2. Facilities must prioritize the childcare needs of first responders, emergency workers, health care professionals, followed by critical operations staff and essential personnel, consistent with guidance provided by the Oregon Department of Education, Early Learning Division.

No person or entity shall operate a place of business in the Commonwealth that is not a life sustaining business regardless of whether the business is open to members of the public.
