## FAQs for Entrepreneurs

This FAQ provides practical insights into key legal and business considerations for entrepreneurs starting, running or growing a company. While the answers offer general guidance, they are not a substitute for personalized legal advice. Every business is unique, and we encourage you to consult with one of our [emerging growth company attorneys](#) to address your specific needs and goals.

This is a living resource, and new sections will be added as they are completed. Be sure to check back for updates on important topics like intellectual property, employment, capital raising and planning for future transitions.
