Attorneys at Law Magazine Features Article by Laura Reathafor and Caroline Sayers

06/30/2020 | less than a minute

Laura Reathafor and Caroline Sayers co-authored an article, "[How Strong Corporate Guidance Can Prevent 7-Figure Liability in Employment Cases](#)," for Attorneys at Law Magazine in Los Angeles. The article discusses how employers may be vulnerable to hefty California Labor Code penalties when they overlook certain corporate registration issues. To avoid such, they stress the importance of collaboration between employment law and business law professionals.
