Attorneys Martin Behn and Justin Hilton Explore Estate Planning Strategies for Volatile Markets in WealthManagement.com

04/23/2025 | less than a minute

In their recent article “Estate-Planning Techniques in Volatile Markets” for WealthManagement.com, attorneys [Martin Behn](#) and [Justin Hilton](#) explore estate planning strategies “designed to provide stability, protect assets and ensure your client’s financial intentions are honored, regardless of what the market may bear, especially in down markets with high interest rates.”

Tariffs, persistently high inflation and market volatility can stress even the most carefully designed financial plans. Learn about the impact of interest rates on estate planning strategies and much more.
