# Bloomberg Law Features Article on PFAS Regulations for Groundwater by Allyson Cunningham, Sarah Lintecum and Grant Harse

11/03/2020 | less than a minute

Attorneys Ally Cunningham, Sarah Lintecum and Grant Harse published a [“PFAS Regulations for Groundwater Could Be Imminent”](#) article in *Bloomberg Law*. In the Nov. 3, 2020 article, they say more federal and state action on PFAS in groundwater is likely. They also provide specific suggestions for businesses facing evolving PFAS regulation at all levels of government and potential PFAS liability.
