Cointelegraph Quotes Dale Werts on Investing in Crypto

03/19/2022 | less than a minute

Partner Dale Werts spoke to *Cointelegraph* for the article for "[Old but Gold: Can Digital Assets Become Part of Americans' Retirement Plans?](#)" on including cryptocurrency in retirement plans. In the article Dale details three options, including a self-directed 401(k), investing in companies that own crypto, and investing your 401(k) plan in trusts.
