# Dallas Morning News Quotes Mara Cohara on Employees Returning to Work

04/29/2020 | less than a minute

Environmental and Tort Practice Group Leader Mara Cohara was quoted in the Dallas Morning News article "[Texas Labor Advocates Call for Extension of Unemployment Benefits to Those Affected by Coronavirus](#)." In it, Mara advises that companies who bring their employees back to work should follow the guidance of local, state and national officials in order to minimize their liability, prepare a plan for how to prevent the potential spread of the disease, and have a strategy for reporting if an outbreak occurs.
