# Finance & Commerce Quotes Kate O'Hara Gasper on Protecting Confidential Information

05/04/2020 | less than a minute

The Finance & Commerce article "[Navigating a New Normal for Corporate Practice](#)" features Kate O'Hara Gasper. In the article, Kate says that "in-house counsel are uniquely positioned to bring together different departments of their companies to protect against theft of confidential information, which she anticipates will be on the rise as a result of the pandemic."
