Our Creditors' Rights bankruptcy group is proud to introduce [Bankruptcy Bytes](#), a series of brief videos to help educate people and companies who are dragged into bankruptcy proceedings.

Some of the upcoming topics we will be covering include:

- Common types of bankruptcies
- Schedules and Proofs of Claim
- Automatic Stay
- Assumption, Assignment and Rejection of Executory Contracts and Unexpired Leases
- Preference Claims
- Dischargeability

Here are the first two:
