“We are thrilled to be named to Seramount’s list for the fourth year in a row. In 2023, greater than 50% of the Partner Compensation Committee and the firm’s practice group leaders were women. This honor comes on the heels of other recognitions the firm has received in the past 24 months, including:

- Mansfield Rule 5.0 Certification Plus, signifying the firm has at least 30% women lawyers, lawyers from underrepresented racial/ethnic groups, lawyers with disabilities, and LGBTQ+ lawyers in top leadership roles, senior-level lateral hiring, promotions into the equity partnership, and participation in client pitch meetings.
- Top Performer and Compass Award winner by the Leadership Council on Legal Diversity (LCLD). These awards recognize law firms and corporations showing a strong commitment to building more diverse organizations and a more inclusive legal profession.
- 2022 Tipping the Scales firm by the Diversity & Flexibility Alliance for having 50% or more women in its 2022 U.S.-based new partner class. Notably, the firm was one of only 56 firms named to this annual list honoring a commitment to gender parity and the value women bring to law firms and their clients, and one of the few firms to receive this recognition four years in a row.
