Law.com Features Announcement of Lathrop GPM and Hopkins Carley Combination, Effective October 1

08/21/2024 | less than a minute

Law.com featured our announcement – Lathrop GPM is combining with Northern California law firm Hopkins Carley, adding 62 legal professionals and about \$60 million in revenue, the firm said Wednesday.

Firm managing partner R. Cameron Garrison called it “a perfect fit,” with he and Jennifer Johnson, managing shareholder for Hopkins & Carley, both pointing in an interview Tuesday to those practice group synergies as a particular benefit as well as the firms’ complementary footprints.
