# Law.com Features Profile on Gizie Hirsh

07/14/2021 | less than a minute

Gizie Hirsh is featured in the Law.com Q&A "How I Made Partner." In the article, Gizie describes the passions that led her to become a business-immigration attorney, the growth of her career and the challenges of coming from a culture that strongly disfavors self-promotion. She also advises associates aiming to make partner to, "Try to do more than what is expected. Find what makes you unique and hone in on it. And, make sure people know about you and your work."
