# Law360 Quotes Laura Labeots, Ph.D. on “Patents to Watch in 2020”

01/01/2020 | less than a minute

«A Jan. 1 *Law360* article, “[Patent Cases to Watch in 2020](#),” features a quote from **Laura Labeots** (CHI). The article looks at patent cases the U.S. Supreme Court could decide to tackle this year. Laura hopes the high court will review *Athena Diagnostics Inc. v. Mayo Collaborative Services LLC*, which she said has created confusion what is considered patent eligible in diagnostic testing.
