Marissa Sinha Speaks with The Center Square on New California Ruling Impacting Fire-Related Insurance Claims

03/12/2025 | less than a minute

Lathrop GPM Counsel Marissa Sinha recently spoke with *The Center Square* about a new California court ruling that could make fire-related insurance claims for smoke and soot damage outside of a burn zone more difficult for property owners.

In the article, Marissa discusses the potential impacts of the ruling and what damages may be covered for property owners.
