Mergers & Acquisitions Magazine Features Article on Impacts of PFAS Regulations on M&A Deals Co-Authored by Allyson Cunningham

12/29/2020 | less than a minute

Partner Ally Cunningham co-authored the article “[How to Deal with New PFAS Contamination Rules](#)” in Mergers & Acquisitions Magazine. In the article, she discusses the importance of considering PFAS as part of the buyer’s initial due diligence to learn of potential PFAS contamination to the property.
