## The Counter Quotes Ryan Palmer on Post-Pandemic Liquor Regulations

04/23/2020 | less than a minute

Ryan Palmer was quoted in The Counter article, "[As States Loosen Alcohol Laws to Help Struggling Restaurants, Some Want the Changes to Be Permanent.](#)" The article discusses the possibility of states extending temporary measures involving to-go alcohol sales even after the coronavirus pandemic is over. In it, Ryan states, "I don't foresee anything on a national basis...that really would be a sea change for how we regulate liquor."
