University Business Quotes Kathryn Nash on Live Hearing Requirement of Title IX

06/07/2021 | less than a minute

Kathryn Nash is quoted in the *University Business* article "[Can Biden Administration Solve Title IX Controversies?](#)" regarding current Title IX regulations and the Department of Education's five-day virtual hearing to review these regulations. Among the debated requirements in the regulations are the mandatory live hearings. Kathryn said the live hearings have had a chilling impact on reports of sexual violence and misconduct and aren't necessary to ensure fairness.
