Los Angeles

Lathrop GPM's Los Angeles office – located in the landmark Century Plaza Towers – is located at the 14-acre lifestyle destination Century Park in the heart of Century City. The Los Angeles-based legal professionals are adept in insurance recovery and counseling, intellectual property and IP litigation, product liability and personal injury, toxic and mass tort litigation, and labor and employment. Boasting a strong group of litigators who work with clients in a wide variety of industries, our Los Angeles attorneys have impressive client wins that have made headlines in prominent nationwide legal publications.
