

~
Washington, D.C.

Lathrop GPM's Washington, D.C. office –located in the historic Watergate complex along the Potomac River in the Foggy Bottom neighborhood – is best known for their representation of national and international franchisors. The firm's D.C. attorneys also focus on intellectual property, commercial litigation and white collar investigations. Attorneys in the D.C. office regularly represent businesses, individuals and trustees involved in disputes related to the purchase, sale and operation of companies, business assets and real estate.
