M, Environmental, Natural
Resources and Energy
Law, 2021

Shanna L. McCormack

Associate | shanna.mccormack@lathropgpm.com

Shanna McCormack focuses her practice on environmental law. She has experience working for the United States Environmental Protection Agency, and has studied environmental law, natural resources law and energy law. Her background working for an environmental regulatory agency allows her to advise a broad range of clients on environmental matters.

Prior to joining the firm, Shanna worked as a summer associate for Earth Law Center, where she researched pesticide use overseas in addition to writing memoranda on several environmental issues, including the Clean Water Act. She also worked as a summer associate for Kansas Legal Services and served as a clinic member for Earthrise Law Center.
