Lisa Jeanetta

Patent Specialist | lisa.jeanetta@lathrooggpm.com

Lisa Jeanetta is a patent specialist with 20 years of experience. Lisa helps attorneys and clients manage their portfolios, providing support in areas including:

- Executing and preparing filings for PCT applications and all associated foreign prosecution filings
- Preparing and filing U.S patent and trademark applications and related documents with the USPTO
- Reviewing and maintaining dockets to organize and report various prosecution deadlines
- Managing large prosecution portfolios

In addition to her experience in patent law, Lisa previously served as a patent specialist at an international law firm. Lisa is proficient in patent docketing systems, form libraries and file history databases, including WIPO and USPTO procedures.
