Sponsorship

Presented by: University of St. Thomas

Gray Plant Mooty is pleased to sponsor the upcoming UST Symposium on Social Entrepreneurship at St. Thomas University. The Symposium offers a dynamic experience with local and national leaders who will dissect, discuss, and engage directly with you about "breaking" ideas on:

- Impact investing - what IS it and what does it mean to you?
- How are new partnerships really forged using new capital?
- Who and what are social impact angel investors in Minnesota looking for?
- How can leaders develop and sustain an innovation culture in small to large nonprofits - or social good for-profits?

Register online at the University of St. Thomas' web site. Nonprofits, students, and SEA members use SSE50 (case sensitive) CODE to receive \$60.00 rate.

Visit GPM's Social Enterprises and Social Entrepreneurs page to learn more about our practice.
