

Group Health Plan and Wellness Programs

May 7, 2013

Firm Event

Presented by: GPM's Employee Benefits & Executive Compensation Practice Group

Please join us for the Group Health Plan and Wellness Programs edition of our continuing HR Compliance Breakfast Briefing series. In addition to the ongoing compliance requirements under ERISA, HIPAA, COBRA, GINA and the ADA, Health Care Reform is presenting new issues and complications for Plan Administrators of employer group health plans and wellness programs. This presentation is designed to provide you with the tools you need to identify the issues and considerations in administration and compliance where the laws and guidance involved are both complex and continually developing. The breakfast briefing will focus on identifying and managing legal risks along with practical advice on how you can monitor administration of your group health plans and wellness programs.

Presenters: Monica Kelley and Kathi Wright
