The Technology Licensing Showcase (afternoon portion from 1:00 p.m. - 4:00 p.m.) will feature life sciences technologies in the areas of Therapeutics, Medical Device and Health IT available for licensing. There will be six podium presentations by University of Minnesota and Mayo researchers followed by a networking session informally featuring many more additional technologies from each group.

The Venture Investor Forum (evening portion 4:00 p.m. - 7:00 p.m.) will feature presentations from eight University of Minnesota and Mayo start-up companies.

This is subject to change as the program details are finalized.

Time:

1:00 p.m. - 7:00 p.m.
