Presented by: GPM's Agribusiness & Food Practice Team

Please join us for Gray Plant Mooty's Agribusiness Roundtable & Webinar Series on Animal Welfare. Animal rights activists have modified their methods over time. No longer content to rely upon undercover videos, they now employ social media, sophisticated public relations campaigns, legislation and litigation. This roundtable will focus on the challenges faced by the livestock, poultry and meat industries in responding to these varied attacks and the legal and policy issues raised by the animal rights movement.

Panel Members:

- Daryn McBeth, Minnesota Agri-Growth Council
- Angela Rud, Gray Plant Mooty
- Bob Taubert, New Horizon Farms

Moderator:

- Phil Kunkel, Gray Plant Mooty
