

UST Symposium on Social Entrepreneurship (2012)

October 18, 2012

Sponsorship

Presented by: University of St. Thomas

Entrepreneurship and Innovation - Building Resiliency for Social Impact

Featuring Keynote Speaker, Jessica Jackley, founder of Kiva

Presenting Sponsor: United Way

What does social entrepreneurship have to do with your chamber's goals and activities? A great deal, through innovation and entrepreneurial principles, nonprofits and for-profit/for purpose businesses are changing the way money is generated, business is grown, and the community is better served. We highly encourage attending this unique opportunity to learn more and contribute to ideas that may benefit your community and Minnesota.
