October 2, 2012

Firm Event

A Breakfast Briefing presented by: Gray Plant Mooty's Charitable Gift Planning Team

Speakers: Sheryl Morrison and Angela Fogt

Collections, farm assets, artwork, jewelry, musical instruments . . . donors are increasingly finding unique ways to contribute to their favorite charitable organizations. We will discuss the tax, legal, and practical implications of gifts of unusual assets and we will provide gift planners with a framework for evaluating and responding to new opportunities for gifts of these assets.
