

2011 MMGMA Winter Conference

3/01/2011 - 3/02/2011

Sponsorship

Presented by: Minnesota Medical Group Management Association

Game On: Health Care's Reform

Gray Plant Mooty is proud to be a Gold Sponsor of the Minnesota Medical Group Management Association's 2011 Winter Conference, "Game On: Health Care's Reform." The conference will include numerous educational opportunities including honing your leadership skills, making sense of health care reform, delving into the latest details on ACOs, and crafting new marketing strategies in our rapidly changing health care world.

Count on two days of action-packed networking with colleagues, business partners, exhibitors, and sponsors. Your commitment to attending this conference will demonstrate to your organization a dedication of your desire to strive for consistent quality improvement, a focus on both sustainability as well as growth despite the financial and administrative challenges we face daily, and a conscious effort to stay abreast of enhancements in technology that can aid us in expanding our resources. The goal of this conference is to help coach you through the unpredictable challenges brought on by changes in our health care system.
