Gray Plant Mooty Sponsors Enterprise Minnesota's 2011 State of Manufacturing

Gray Plant Mooty is sponsoring Enterprise Minnesota's 2011 State of Manufacturing. Enterprise Minnesota is an organization that helps small and mid-sized manufacturers develop and implement strategies to grow business. One of the organization's initiatives is their annual State of Manufacturing poll, a statewide research project that includes hundreds of phone surveys, several focus groups with manufacturing executives across the state, and interviews with Minnesota legislators. The findings will be aggregated and presented at a statewide poll release event in Minneapolis on February 22, 2011 at the Doubletree Hotel, from 4:00 p.m. - 6:30 p.m.

Visit the Enterprise Minnesota Web site for more information on the 2011 Statewide Poll Release Event.
