

Minnesota Women Lawyers 2011 Winter Celebration

February 15, 2011

Sponsorship

Presented by: Minnesota Women Lawyers

Gray Plant Mooty is proud to be a 2011 Minnesota Women Lawyers Gold Partner. Please join us, and Minnesota Women Lawyers, for the 2011 Winter Celebration. This event provides members and guests with an opportunity to hear from speakers who are current trendsetters in and out of the legal community. This year, MWL is pleased to welcome Nancy Lieberman as the 2011 keynote speaker.

On November 5th, 2009, Basketball Hall of Famer Nancy Lieberman added a new piece of history to her already illustrious career in becoming the first head coach of the Texas Legends. Lieberman widely considered one of the most influential figures in women's basketball history, became the first female head coach to lead an NBA or NBA D-League team.

Lieberman's journey began on the rough and tumble asphalt basketball courts of Harlem. In 1974, Lieberman's talents were illuminated by the national spotlight after garnering a coveted spot on the U.S. National Team, and a year later managed to bring home a gold and silver medal at the World Championships and Pan American Games, respectively. Lieberman exploded onto the college scene and would ultimately drive the Lady Monarchs at Old Dominion University to two consecutive National Championships and a WNIT Championship.

Visit the Minnesota Women Lawyers Web site for more information on the 2011 Winter Celebration.
