

Cyber Liability Seminar

November 20, 2014

Speaking Engagement

Tycoon's Alehouse and Eatery
132 E Superior 132 E Superior St.
Duluth, MN 55802

Sponsored by: Hays Companies

If it seems that data breaches are happening more frequently, you're not mistaken. The last twelve months have been the most active period of data breaches yet.

Join Gray Plant Mooty's Michael Cohen and Hays Company's Dave Wasson for a discussion on the risks facing companies in various industries, insight into the legal landscape, best practices recommendations, and a review of the various insurance products available to protect your company and its reputation.
