

2017 Labor and Employment Executive Briefing

November 16, 2017

Please join us for a half-day seminar focusing on the current employment landscape. We will offer solutions to pressing concerns and new developments in the workplace regarding Missouri, Kansas, and federal law. The following topics will be covered:

- Hear the latest from the top attorneys with the **EEOC and the MCHR** on enforcement priorities and litigation trends, featuring Kristy Lambert (Missouri Commission on Human Rights) and Andrea Baran (Equal Employment Opportunity Commission)
- Find out how **Blockchain** will disrupt the world of Human Resources
- Consider difficult **employee leave** issues drawn from a series of video vignettes
- Evaluate your current approach to **weapons in the workplace**
- Question a **panel of experienced practitioners**

**Thursday, November
