### ***WARNING: Technology and the law can be a dangerous mix!***

The legal environment for technology companies changes constantly. The advice of an experienced and knowledgeable legal team is crucial to the success of your technology venture. The attorneys at Gray Plant Mooty advise a wide variety of technology companies from pure start-ups to established multinationals.

Join our tech attorneys for the first of a series of quarterly breakfast briefings exploring the challenges and opportunities faced by tech companies today. The session will also include a live Q&A, giving attendees the opportunity to pose questions to our experienced team.

Presentations featured at this session include:

- "Launching A New Venture: Don't Screw It Up"
- "Terms of Use/Privacy Policy: It's More Than Legal Blah Blah Blah"
- "Top Five Tech Law Developments You Need to Know Now"
