What? You mean there's more? Recent guidance from the OCR emphasizes the role and **responsibilities** of Title IX coordinators **beyond** overseeing the institution's process for and response to incidents of **sexual harassment and sexual violence**. Is your Title IX team aware of its responsibilities beyond sexual harassment and sexual violence? Have you assigned appropriate personnel to **ensure** that your institution is **fulfilling all of its Title IX obligations**?

Join us for a 60 minute training, plus Q&A, to discuss the OCR's recent guidance, focusing on the key issues Title IX Coordinators have responsibility for and recommended best practices.

Issues impacted by the new guidance include:

- Recruitment, admissions, and counseling
- Financial assistance
- Athletics
- Pregnant & parenting students
- Discipline
- Employment
- Reporting
