Employers face an array of health, safety, and legal challenges as states reopen and businesses prepare for new phases of pandemic response. We can help you identify and manage some of these key issues and optimize the positioning of your business and workplace amid the many competing considerations.

Join Lathrop GPM Labor & Employment attorneys Megan Anderson, Mark Mathison, Bridget Romero, and Brian Woolley for a live webinar on Tuesday to learn about:

- COVID-19 reopening plans: documentation, compliance, and resources
- Employee health screenings
- Other workplace safety issues: policies, procedures, training, OSHA, and more
- Managing employees who can't or won't come to work: rights and duties
