Yahoo Finance Features Eric Swan on Potential Rise in Litigation

April 28, 2020

Eric Swan is quoted in the Yahoo Finance article "When Americans Come Back to Work, We Could See a 'Spike in Litigation' Over Coronavirus." In the article, Eric says he expects a rise in COVID-19-related litigation as businesses reopen involving tort claims from people who allege they contracted COVID-19 or experienced flu-like symptoms from their workplace or a business they visited.
