FoodNavigator-USA Quotes Eric Swan on COVID-19 Liability of Food Manufacturers and Retailers

May 13, 2020

Environmental & Tort Counsel Eric Swan was interviewed for an article on the FoodNavigator-USA website, "Do food & beverage firms need a liability shield to protect them against a torrent of COVID-19 related litigation?" In it, Eric states, "That shield…would be good to have…at the state level as tort law is 90% state law driven."
