Attorneys at Law Magazine Features Article by Laura Reathaford and Caroline Sayers

June 30, 2020

Laura Reathaford and Caroline Sayers co-authored an article, "How Strong Corporate Guidance Can Prevent 7-Figure Liability in Employment Cases," for Attorneys at Law Magazine in Los Angeles. The article discusses how employers may be vulnerable to hefty California Labor Code penalties when they overlook certain corporate registration issues. To avoid such, they stress the importance of collaboration between employment law and business law professionals.
