

Bloomberg Law Quotes Alexandra Roje on COVID-19 Insurance Coverage Lawsuits

August 14, 2020

Insurance Recovery Partner Alex Roje was quoted in a Bloomberg Law article titled, "More Virus Insurance Suits Could Follow As Consolidation Fails." The U.S. Judicial Panel on Multidistrict Litigation's refusal last week to centralize hundreds of businesses' lawsuits against their insurers over pandemic-related coverage will likely mean that legal battles will wage on in state or district courts, and is "probably going to result in new cases being filed," Alex states in the article.
