

Law360 Quotes Cameron Garrison on Law Firms Adapting to a New Presidency

January 19, 2021

Managing Partner Cameron Garrison was quoted in the *Law360* article "How Law Firms Are Hiring To Adapt To A Biden Presidency." The Jan. 19 article points out that each new presidential administration generates legal hiring shifts as firms gear up in areas likely to see more work under a new leader. Cameron predicts that under President Biden: "Environmental regulation, broadly speaking, will clearly heat up, but PFAS regulation, in particular, will be a significant area of focus going forward."
