

The New York Times Quotes Marya Robben on Tax Rate Changes

January 22, 2021

Lathrop GPM Trusts and Estates Partner Marya Robben was quoted in *The New York Times* on potential tax changes under the Biden administration in the article "With Higher Taxes Possible, Here's What to Do Now." (Account required.) In the Jan. 22 article, Marya says, "Capital gains is still a real issue because markets are still high. When the correction happens, there's going to be a surge in planning."
