

Kansas City Business Journal Quotes Cameron Garrison on One Year Anniversary of Lathrop GPM

February 9, 2021

Managing Partner Cameron Garrison spoke with the *Kansas City Business Journal* on the first year of the formation of Lathrop GPM and the successes achieved through the combination, including during the COVID-19 pandemic. In the Feb. 9, 2021 article, "Lathrop GPM Managing Partner: Pandemic Actually Helped Us Unify and Grow" (Subscription required), Cameron said: "Going through a crisis like that, it brought us together tighter, so it moved us forward faster than we thought. It's why I tell people it feels like we've been practicing together for 20 years."
